

PROPOSED AMENDMENT TO BILL 22

Honourable Doug Donaldson to move, in Committee of the Whole, on
Bill 22

Forest Amendment Act, 2019

to amend as follows:

SECTION 19, in the proposed section 136 (2), by adding the underlined text as shown:

- (2) This section applies to the following persons, unless exempted by regulation:
- (a) the holder of an agreement under this Act;
 - (b) a person who harvests timber;
 - (c) a person who buys or sells timber;
 - (d) an operator of a timber processing facility;
 - (e) a party to a fibre supply arrangement;
 - (f) a prescribed person.

SECTION 22, in the proposed section 151.9, by adding the underlined text as shown:

- 151.9** (1) The Lieutenant Governor in Council may make regulations respecting the following:
- (a) for the purposes of the definition of “fibre supply arrangement” in section 136, prescribing facilities, including but not limited to
 - (i) facilities that manufacture products from timber or wood residue, and
 - (ii) facilities that produce bioenergy;
 - (b) for the purposes of section 136 (2) (f), prescribing persons or classes of persons
 - (i) who acquire, distribute, buy or sell timber, wood residue, products manufactured from timber or wood residue or rights to harvest Crown timber, or

- (ii) who process timber or wood residue,
including but not limited to
 - (iii) persons who transport timber, wood residue or products manufactured from timber or wood residue,
 - (iv) operators of facilities that manufacture products from timber or wood residue, and
 - (v) operators of facilities that produce bioenergy;
- (b.1) exempting persons or classes of persons from section 136 (2):
 - (c) for the purposes of section 136 (3), establishing requirements respecting the keeping of records under that section, including but not limited to
 - (i) establishing categories or subcategories of information,
 - (ii) requiring that records be kept according to categories or subcategories established under subparagraph (i),
 - (iii) requiring that records be kept in relation to particular periods, or
 - (iv) requiring that specific information or types of information be recorded;
 - (d) for the purposes of section 136 (3) (d), prescribing information in relation to fibre supply arrangements, including but not limited to information respecting
 - (i) the parties to, and term of, the arrangement,
 - (ii) the recipients and intended recipients of timber or wood residue supplied under the arrangement, or
 - (iii) the actual and agreed-on volumes and prices of timber or wood residue supplied under the arrangement;
 - (e) for the purposes of section 136 (3) (e), prescribing information in relation to
 - (i) the acquiring, distributing, buying or selling of timber, wood residue, products manufactured from timber or wood residue or rights to harvest Crown timber, or
 - (ii) the processing of timber or wood residue,
including but not limited to information respecting
 - (iii) the transporting of timber, wood residue or products manufactured from timber or wood residue,
 - (iv) the manufacturing of products from timber or wood residue, and
 - (v) the producing of bioenergy;
 - (f) for the purposes of section 136.1, specifying information prescribed for the purposes of section 136 (3) (e) that must not be disclosed.

- (2) For the purposes of this section, products manufactured from timber or wood residue include wood products that are manufactured from products manufactured from timber or wood residue.

The Honourable Doug Donaldson
