A Form P2 is used any time a spouse's share of the benefits remains in the plan/annuity to be administered. The spouse becomes a kind of member/annuitant, with respect to the benefits, called a "limited member" and is entitled to receive a proportionate share of

- *payments under a pension that has commenced,*
- *benefits under a defined benefit provision before pension commencement,*
- *disability benefits under a plan,*
- *annuity payments,*
- *benefits that are subject to an original order or agreement made before Part 6 of the Family Law Act came into force, and*
- *benefits in a defined contribution account, if the administrator consents to the spouse's proportionate share remaining in the plan.*

Form P2 is used in every case for dividing benefits except where benefits in a defined contribution account are being transferred from the plan, when a Form P3 is required.
