The Table of Legislative Changes is provided for convenience.  
While every effort is made to achieve accuracy, only the statutes are authoritative.  
Legal opinion should be sought if interpretation is required.

#### 1. Legislative changes and time periods covered

The Table of Legislative Changes (3rd Edition) shows all the following:

- Act provisions and changes enacted or brought into force between January 1, 2014 and December 31, 2018
- Act provisions and changes enacted between January 1, 2005 and December 31, 2013, or consolidated in RS1996 Supplements to Acts, that were not in force and not repealed or superseded as of December 31, 2013; for all other provisions and changes from that period, see the Table of Legislative Changes (2nd Edition) in the 2013 Statutes of British Columbia bound volume
- Act provisions and changes enacted between January 1, 1997 and December 31, 2004, or consolidated in RS1996 Supplements to Acts, that were not in force and not repealed, superseded or inoperative as of December 31, 2004; for all other provisions and changes from that period, see the Table of Legislative Changes (1st Edition) and its Appendix in the 2004 Statutes of British Columbia bound volume.

#### 2. Acts listed

In addition to listing all Acts with provisions or changes set out in item 1, the Table of Legislative Changes (3rd Edition) includes most Acts that appear in the Table of Legislative Changes (1st Edition) and in the Table of Legislative Changes (2nd Edition), whether or not those Acts are affected by changes enacted or brought into force between January 1, 2014 and December 31, 2018.

Specifically, the Table of Legislative Changes (3rd Edition) lists all

- Acts included in the 1996 Revision
- Public, Private, Special and Local principal Acts enacted between January 1, 1997 and December 31, 2018
- Acts revised under the *Statute Revision Act*, R.S.B.C. 1996, c. 440, and deposited with the Clerk of the Legislative Assembly between January 1, 1997 and December 31, 2018
- Acts affected by changes enacted or brought into force between January 1, 1997 and December 31, 2018, but note
  - amendment Acts are listed only if a change could not be entered in a table of a principal Act affected (e.g., an amendment to a transitional provision of the amendment Act)
  - pre-Revision (pre-RS1996) Acts are listed only if they were changed between April 21, 1997 and December 31, 2018; for changes made to pre-Revision Acts from January 1, 1997 to April 20, 1997, see the Appendix to the Table of Legislative Changes (1st Edition) in the 2004 Statutes of British Columbia bound volume.

A separate listing is added to the Table of Legislative Changes (3rd Edition)

- for an Act if a regulation or order in council made under it is subsequently changed by or confirmed and validated by an Act of the Legislature; “Regulations” or “Orders” follows the Act title in these cases
- for the *Workers Compensation Act* to record regulations that adjust dollar figures in the Act based on changes in the consumer price index.

### 3. How legislative changes are shown

#### (1) Parts of individual tables

A table consists of one or more of the 3 parts shown in bold type in this subsection:

- ***Changes by Reg (or Order)*** – *italicized* – identifies potential Act changes that may be made by regulation or by order in council, whether or not the provision that authorizes the change is itself in force. When a change is enacted, a separate entry is made in the appropriate part of the table according to the effective status of the change as of December 31, 2018.

Note: Acts may authorize *any* eligible Act to be changed by regulation or authorize the suspension, by regulation, of the operation of all or part of an enactment. Where it is possible to identify the specific Acts that may be affected, “Changes by Reg” entries are created for those Acts. Where specific Acts cannot be identified, the potential changes or suspensions are noted only under the authorizing Act (e.g., *Statute Revision Act*) until a regulation is made; after a regulation is made, the details are entered under any Acts affected by the change or suspension.

- ***Changes Not in Force*** – *italicized* – identifies changes not in force as of December 31, 2018, including changes that are to be brought into force by regulation or that are to be effective on a specified date or event.
- **Changes in Force** – non-italicized – identifies changes in force as of December 31, 2018.

## (2) Columns

### Section column

- identifies provisions affected by changes; “Act” is used if an entire Act is subject to repeal or to changes that can be summarized efficiently in this way

### Change column

- shows the nature of the changes; see the list of abbreviations, terms and symbols in item 5

### Citation column

- cites the Act, Supplement, regulation or order in council making the change; if the change itself is changed, a bulleted entry may be added under it; see subsection (3) below

### Into force column under *Changes Not in Force*

- shows how or when changes are to come into force; an effective date is shown if it is known as of, but is after, December 31, 2018

### Effective date column under Changes in Force

- shows when and how changes came into force; if a provision has retroactive effect, the retroactive effective date or application is shown first, followed in square brackets by the date on which the provision itself came into force, e.g., “1 Jan 2014 [retro from 3 Mar 2014 (RA)]”.

## (3) When changes not in force are changed

When a not-in-force *enactment* of a section is itself changed, the change is shown as follows:

- if the change *amends* or *re-enacts* the section enacted, a bulleted entry is added in the “Citation” column below the original entry; if that amendment or re-enactment is further changed, an arrow (=>) is added to the bulleted entry to set off the further change
- if the change *repeals* the section enacted and that repeal is not in force, a separate row entry is added below the original entry; if the section enacted is not in force when the repeal is brought into force, angle brackets (<...>) are added to set off the entry for the enactment, and the repeal is entered in the “Into force” column.

When a not-in-force *amendment*, *repeal* or *re-enactment* is itself subsequently changed (other than by an RS1996 Supplement provision), the changes are shown as follows:

- if the subsequent change is not in force, a bulleted entry is added in the “Citation” column below the original entry; if that subsequent change is further changed, an arrow (=>) is added to the bulleted entry to set off the further change

- if the subsequent change is in force and it
  - *amends* or *re-enacts* the original change, a bulleted entry is added in the “Citation” column below the original entry; if that subsequent change is further changed, an arrow (=>) is added to the bulleted entry to set off the further change
  - *repeals* or *supersedes* the original change, angle brackets (<...>) are added to set off the original entries, and the subsequent change is entered in the “Into force” column.

Supplement provisions, including those that make changes to other Supplement provisions, are entered separately under the number of the Act section they would enact or affect if brought into force.

#### **(4) When an Act is repealed**

In the Table of Legislative Changes (1st Edition) and Table of Legislative Changes (2nd Edition), in the year that an Act repeal came into force (the “repeal year”), all entries were removed from the Act’s table except entries for

- the Act repeal
- an effective title change
- other changes that were enacted or came into force during the repeal year.

Of these, the entries for the Act repeal and the title change were permanently retained, but the entries for other changes were removed in the year after the repeal year.

In the Table of Legislative Changes (3rd Edition), no entries are removed from the Act’s table in the repeal year. The entries for the Act repeal and the title change and the entries for any not-in-force changes are permanently retained, but all other entries are removed in the year after the repeal year.

To locate all entries removed when an Act was repealed between January 1, 1997 and December 31, 2013, see the Table of Legislative Changes in the Statutes of British Columbia annual bound volume for the repeal year and the year preceding it. To locate all entries removed when an Act is repealed after December 31, 2013, see the Table of Legislative Changes in the Statutes of British Columbia annual bound volume for the repeal year.

For Acts effectively repealed between January 1, 1997 and December 31, 2013, the Act listing provides, in square brackets, the repeal citation and the repeal year, e.g., “[repealed by 2004-44-92 *eff* 2004]”.

#### **4. Citations**

Citations have the format year-chapter-section.

An Act included in the 1996 Revision is cited by “RS1996” and its chapter number; an Act included in an earlier Revision is cited by “RS” followed by its revision year and chapter number.

An Act or amendment consolidated in the RS1996 Supplements is cited by “RS1996 (Supp)” and the RS chapter number.

An Act not included in the 1996 Revision or an Act enacted after the 1996 Revision is cited by its enactment year and chapter number.

An Act revised after the 1996 Revision is cited by “RS” followed by its revision year and chapter number.

## **7. History – 1997 to 2018 Acts**

Amendment Acts are listed in the Table of Legislative Changes (1st Edition) and Table of Legislative Changes (2nd Edition) only if the amendment Acts are changed. Amendment Acts are listed in the Table of Legislative Changes (3rd Edition) only if an amendment could not be entered in a table of a principal Act affected (see details in item 2).

For Acts enacted between January 1, 1997 and December 31, 2004, see the Table of Legislative Changes (1st Edition) in the 2004 Statutes of British Columbia bound volume, the Table of Legislative Changes (2nd Edition) in the 2013 Statutes of British Columbia bound volume and the Table of Legislative Changes (3rd Edition) in this volume.

For Acts enacted between January 1, 2005 and December 31, 2013, see the Table of Legislative Changes (2nd Edition) in the 2013 Statutes of British Columbia bound volume and the Table of Legislative Changes (3rd Edition) in this volume.

For Acts enacted between January 1, 2014 and December 31, 2018, see the Table of Legislative Changes (3rd Edition) in this volume.

For Public Acts revised under the *Statute Revision Act*, R.S.B.C. 1996, c. 440, see also the Act’s pre-revision history in the Historical Table following the Act revision in the Statutes of British Columbia annual bound volume in which the Act revision is published.

## **8. History – Acts included in the 1996 Revision**

### **(1) Consolidation and effective dates**

The Revised Statutes of British Columbia, 1996 stated the law as of December 31, 1996. Acts and amendments in force on that date were consolidated in the main volumes of the Revision, and those enacted but not in force were consolidated as Supplements. Supplements reflected effective dates that were known as of, but were after, December 31, 1996. The Revision became effective on April 21, 1997 (B.C. Reg. 92/97).

### **(2) Changes between consolidation and effective date**

When the 1996 Revision came into force on April 21, 1997, it included

- Supplement Acts and amendments effective on or before that date
- Supplement Acts and amendments brought into force on April 21, 1997 by 1997 regulations deposited before that date
- amendments enacted by 1997 legislation before April 21, 1997 and effective on or before that date.

If a Supplement provided for an amendment to be effective before April 21, 1997, the Table of Legislative Changes (1st Edition) shows first the April 21, 1997 effective date common to the entire Revision, then a bracketed annotation showing the earlier date on which the amendment became effective. See item 9 (3) in relation to parallel changes to pre-Revision Acts.

**(3) History before consolidation date**

See item 9.

**(4) History after consolidation date**

For an Act's history between

- January 1, 1997 and December 31, 2004, see the Table of Legislative Changes (1st Edition) in the 2004 Statutes of British Columbia bound volume
- January 1, 2005 and December 31, 2013, see the Table of Legislative Changes (2nd Edition) in the 2013 Statutes of British Columbia bound volume
- January 1, 2014 and December 31, 2018, see the Table of Legislative Changes (3rd Edition) in this volume.

**9. History – Pre-Revision (pre-RS1996) Acts**

**(1) History before effective date of 1979 Revision (May 17, 1980)**

See the Table of Statutes in the 1979 Statutes of British Columbia bound volume (history to August 30, 1979), the Addendum in the 1980 Statutes of British Columbia bound volume (history between August 31, 1979 and May 16, 1980), and the RS1979 Commissioner's Preface and Volume 7 Appendices.

**(2) History between effective date of 1979 Revision and consolidation date of 1996 Revision (May 17, 1980 to December 31, 1996)**

For all Acts, see the Table of Statutes in the 1996 Statutes of British Columbia bound volume.

For Acts revised as part of the 1996 Revision, refer to the following for further historical information:

- concordance – for Act concordance, see the Table of Contents in the Revised Statutes of British Columbia, 1996 bound volumes, or the Table of Act Concordance in the preface to the current looseleaf edition of the Revised Statutes of British Columbia; for sectional concordance, see the full Table of Concordance published as a guide to the 1996 Revision
- for Acts in force on December 31, 1996 and included in the 1996 Revision – see also the Historical Tables following the Acts in the Revised Statutes of British Columbia, 1996 bound volumes; the looseleaf edition of these Historical Tables will be revised if necessary to correct errors, but will not otherwise be updated to reflect changes occurring after 1996
- for Acts and amendments not in force on December 31, 1996 and included in the Supplement to the 1996 Revision – see also the historical notes following each Supplement section in volume 15 of the Revised Statutes of British Columbia, 1996.

**(3) History between January 1, 1997 and April 20, 1997**

See the Appendix to the Table of Legislative Changes (1st Edition) in the 2004 Statutes of British Columbia bound volume for changes made to pre-Revision Acts between January 1, 1997 and April 20, 1997. In many cases, the changes to the listed Acts were paralleled in the Acts included in the 1996 Revision by changes made during that period by way of Supplement amendments coming into force or by the enactment of new legislation.

**(4) History between April 21, 1997 and December 31, 2004**

See the Table of Legislative Changes (1st Edition) in the 2004 Statutes of British Columbia bound volume.

**(5) History between January 1, 2005 and December 31, 2013**

See the Table of Legislative Changes (2nd Edition) in the 2013 Statutes of British Columbia bound volume.

**(6) History between January 1, 2014 and December 31, 2018**

See the Table of Legislative Changes (3rd Edition) in this volume.
