[4th March, 1914.]

**W**HEREAS there was passed on the twenty-ninth day of October, 1912, By-law No. 218 of the City of North Vancouver, called the "North Vancouver City Ward By-law," being a by-law authorizing the division of the City of North Vancouver into wards pursuant to the provisions of the "Municipal Act" and to subsection (f) of section 14, chapter 35, of the "North Vancouver City Incorporation Act, 1906":

Preamble.

And whereas said by-law was not signed, sealed, or registered as required by the provisions of the "Municipal Act":

And whereas, relying on such by-law being in force, the municipal elections for the City of North Vancouver were, in January, 1913, held according to the provisions of the said by-law as if the same had been valid and in force in the said City of North Vancouver:

And whereas it was not until the month of September, 1913, that the said error was discovered, and the said Council resigned on the twenty-seventh day of October, 1913, and a new election was held pursuant to the Statutes:

And whereas doubts have arisen as to the validity of the acts of the Council of the City of North Vancouver from the time of the said election in January, 1913, until its resignation:

And whereas it is advisable that legislative authority should be had validating the acts of the said Council:

And whereas the by-laws set out in the Schedule hereto were duly passed on the dates set out in the said Schedule, but the provisions of the "Municipal Act" were not complied with in respect to one or more of the following requirements, viz.:—

- (a.) Signature of the Mayor:
- (b.) Signature of the City Clerk:
- (c.) Affixing seal of the Corporation:
- (d.) Registration in the office of the Registrar of the County Court for the County of Vancouver:
- (e.) In respect of By-law No. 200, the further defect in addition to (a), (b), (c), and (d) hereof, reconsideration by the Council in accordance with the provisions of section 205 of the "Municipal Act":

And whereas proceedings have been taken under the said by-laws, and it is deemed advisable to validate the same notwithstanding said defects:

And whereas a resolution has been passed by the City Council of the said City of North Vancouver asking for legislation in respect to the foregoing matters:

And whereas By-law No. 101, providing for the indemnity of the Mayor and Alderman for the year 1910, though duly passed by the Council, cannot be found:
