

### CHAPTER 103.

An Act to validate the Proceedings of the Corporation of the District of Salmon Arm since the Year 1905, and certain By-laws and Assessment Rolls.

[Assented to 28th March, 1918.]

**W**HEREAS the Corporation of the District of Salmon Arm was incorporated as a district municipality from and after the fifteenth day of May, 1905, by letters patent dated the fourth day of May, 1905, and by said letters patent it was provided that the Council should consist of the Reeve and four Councillors:

And whereas since the year 1907 a Reeve and five Councillors have been annually elected by the said district municipality as the Council of said district municipality, although no resolution increasing the number of the members of the Council appears to have been ever passed by the Council, or a copy thereof filed in the office of the Provincial Secretary, as required by the provisions of the "Municipal Act":

And whereas the corporate seal used by the said district municipality up to the end of the year 1914 bore the impress "Municipality of Salmon Arm" instead of "Corporation of the District of Salmon Arm," which latter was the proper title of said district municipality under said letters patent:

And whereas since the twelfth day of March, 1912, the meetings of the Council and of the Court of Revision of said district municipality appear to have been held outside of the limits of said district municipality without any resolution of the Council having been passed for holding such meetings outside the limits of the municipality except in the year 1913:

And whereas the assessment rolls for said district municipality for the years 1905, 1906, 1907, 1908 and 1909 are missing and cannot be found, although diligent search has been made for same:

And whereas the assessment rolls of said district municipality for the years 1910, 1911, 1912, 1913, 1914, 1915, and 1916 are defective

in that they contain a number of amendments and alterations without anything to show by whom or on whose authority same were made, and contain nothing on the face of them to show that same were revised or confirmed and passed by the Court of Revision, and, with the exception of the year 1912, they have not attached thereto a certificate of the Assessor as required by the provisions of the "Municipal Act":

And whereas since the date of incorporation of the said district municipality no separate minute-book of the proceedings of the Court of Revision for said district municipality has been kept, the minutes of such proceedings having been usually entered in the ordinary minute-book of the Council of said district municipality:

And whereas no minutes of proceedings of the Court of Revision for said district municipality for the years 1905, 1907, 1908, and 1911 appear to have been kept:

And whereas no by-laws for levying a rate or rates on the land and improvements in said district municipality for the years 1905, 1906, 1907, and 1908 can be found:

And whereas the by-laws set out in the Schedule hereto were duly passed on the dates set out in the said Schedule, but the provisions of the "Municipal Act" were not complied with in respect to one or more of the following requirements, namely:—

- (a.) Having affixed thereto the seal of the Corporation in proper form:
- (b.) Registration in the office of the Registrar of the County Court for the County of Yale:
- (c.) Certificate of the Clerk of the municipality on the copy of said by-law deposited with the said Registrar of the County Court of Yale:

And whereas a tax sale was held by the Collector of said district municipality on the fourteenth day of October, 1915, in respect of arrears of taxes against certain lots in said district municipality since the year 1905:

And whereas doubts have arisen as to the validity of the acts of the Council of the said Corporation of the District of Salmon Arm and of the Court of Revision of said district municipality and of said by-laws, assessment rolls, and tax sale, and it is deemed advisable to validate the same notwithstanding any defects therein:

And whereas a resolution has been passed by the Council of the said Corporation of the District of Salmon Arm asking for legislation in respect to the foregoing matters:

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of British Columbia, enacts as follows:—

1. (a.) The persons who, in the years 1908 to 1918, inclusive, were declared elected Reeve and Councillors of the Corporation of the

(b.) The present Reeve and Councillors shall remain in office until the first day of June, 1918, and an election for Reeve and five Councillors shall be held as hereinafter set out, and thereafter the said Council shall consist of a Reeve and five Councillors until otherwise constituted by by-law or other manner authorized by the provisions of the "Municipal Act." being chapter 52 of the "Statutes of British Columbia, 1914," and amending Acts.

Notwithstanding anything contained in the "Municipal Act" or any amendment thereto, or in any other Act, or in any by-law of the Corporation of the District of Salmon Arm, the by-laws set out in the Schedule hereto shall not be held to be invalid or set aside or held defective by reason of the fact that the provisions of the "Municipal Act" were not complied with in one or more of the requirements following, namely:—
