

CHAPTER 73.

An Act to validate certain Municipal By-laws of the Corporation of the District of West Vancouver.

[6th March, 1915.]

WHEREAS there was passed on the sixth day of June, 1912, Treaty Co. By-law No. 4 of the said municipality, known as the " West Vancouver Road Loan By-law No. 4, 1912 ":

And whereas there was passed on the twentieth day of January, 1913, By-law No. 19 of the Municipality of West Vancouver, a by-law for the purpose of constructing and macadamizing a portion of Marine Drive, known as " West Vancouver Marine Drive Money By-law No. 19, 1913 ":

And whereas the Municipal Council has undertaken the construction of portions of the work as specified in the said by-laws, and portions of the undertaking contemplated by the said by-laws have been performed by the said municipality, and the said Marine Drive and road-work is in part constructed:

And whereas doubts have arisen as to the validity of such by-laws, and the authority to undertake the work thereunder and in connection therewith, and as to the validity of the debentures issued in pursuance thereof, owing to the fact that no general by-law authorizing the construction of the work had been first passed by the said municipality:

And whereas the marketing of the debentures issued in pursuance of the said by-law has been rendered difficult in consequence:

And whereas a resolution has been passed by the Municipal Council of the said Corporation, asking for legislation to validate such by-laws and proceedings thereunder and the debentures issued in connection therewith:

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of British Columbia, enacts as follows:—
