(This part is for administrative purposes only and is not part of the Order.)

Authority under which Order is made:

Act and section:- Environment Management Act, sec. 15 (3)Other (specify):- M 188/90

December 2, 1999

Te-Sub 349/99/13/ca

Schedule

1 Section 1 of B.C. Reg. 301/90, the Environmental Data Quality Assurance Regulation, is amended

(a) by adding the following definition:

"CAEAL" means the Canadian Association for Environmental Analytical Laboratories; ,

(b) in the definition of "designated characteristics" by striking out "the ministry" and substituting "CAEAL",

(c) in the definition of "Inter-laboratory Comparison Program" by striking out "the Ministry of Environment, Lands and Parks" and substituting "CAEAL", and by striking out "the ministry" and substituting "CAEAL", and

(d) in the definition of "registered laboratory" by striking out "the director" and substituting "CAEAL".

2 Sections 5 and 6 are repealed and the following substituted:

Inter-laboratory Comparison Program

5 To become and remain registered under the Inter-laboratory Comparison Program a laboratory must

- (a) be registered with CAEAL,**
- (b) analyze each reference sample supplied by CAEAL for each designated characteristic for which the laboratory seeks to be certified,**
- (c) provide the analytical results to CAEAL in the manner specified by CAEAL, and**
- (d) provide the ministry with a certified copy of the CAEAL certification letter for each designated characteristic and the results of each inter-laboratory test result within 30 days after the results are mailed by CAEAL.**
