Commencing at the intersection of the middle line of Peace River with the easterly boundary of the Province of British Columbia; thence northerly along the easterly boundary of the Province of British Columbia to the 58th parallel of north latitude; thence westerly along the 58th parallel of north latitude to the easterly boundary of the watershed of Kechika River; thence southerly and westerly along the easterly and southerly boundaries of the watershed of Kechika River to a point on the southerly boundary of the watershed of Kechika River, with said point being in Sifton Pass and lying due North of the middle line of the mainstream of Fox River; thence due South to said middle line of Fox River and continuing southeasterly along the middle lines of Fox River, Finlay River and Williston Lake to the westerly prolongation of the middle line of Collins Bay; thence due East to the middle line of the main stream of Graham River; thence in general southeasterly and northeasterly directions along the middle line of Graham River produced to the middle line of Halfway River; thence southeasterly along the middle line of Halfway River produced to the middle line of Peace River; thence easterly along the middle line of Peace River to the easterly boundary of the Province of British Columbia, being the point of commencement.

Commencing at the intersection of the middle line of Peace River with the easterly boundary of the District of Hudson's Hope, with said easterly boundary being as defined in the British Columbia Gazette dated March 23, 1989; thence northeasterly along the middle line of Peace River to the southeasterly prolongation of the middle line of Halfway River; thence northwesterly to and along the middle line of Halfway River to the northeasterly prolongation of the middle line of Graham River; thence in general southwesterly and northwesterly directions to and along the middle line of Graham River to a point thereon, with said point being the most westerly point of the middle line of Graham River lying due East of the intersection of the southwesterly prolongation of the middle line of Collins Bay with the middle line of Williston Lake; thence due West to said intersection; thence southeasterly along the middle line of Williston Lake to a point thereon, with said point being due West of the most southerly point of Canty Lake; thence due East to the natural boundary of Williston Lake, on the easterly shore thereof; thence northeasterly in a straight line, on a bearing of 85°, to the northerly boundary of the watershed of Canty Creek; thence easterly along the northerly boundary of the watershed of Canty Creek to the northeasterly boundary of the watershed of those creeks that flow southwesterly into Williston Lake and that lie south of Peace Reach; thence southeasterly along said northeasterly boundary of those creeks that flow southwesterly into Williston Lake and continuing southeasterly along the northeasterly boundary of the watershed of Parsnip River to a point thereon, with said point being due West of the most southerly southwest corner of the District of Hudson's Hope; thence due East to said southerly southwest corner of the District of Hudson's Hope; thence in general easterly and northerly directions along the southerly and easterly boundaries of the District of Hudson's Hope to the middle line of Peace River, being the point of commencement.

#### **Northern Interior Regional Health Board Area**

Commencing at the most northerly northwest corner of District Lot 3216A, Cariboo District, being a point on the natural boundary of Fraser River, on the left bank thereof; thence due West to the middle line of Fraser River; thence in a general southwesterly direction along the middle line of Fraser River to the intersection with the easterly prolongation of the middle line of West Road (Blackwater) River; thence westerly to and continuing in a general westerly direction along the middle line of West Road (Blackwater) River to a point thereon, said point being due South of the southwest corner of District Lot 1472; thence due North to said southwest corner and continuing northerly along the westerly boundaries of District Lots 1472, 1464, 1451, 1453, 1455 and 1456 to the northwest corner of District Lot 1456; thence northerly in a straight line to the southwest corner of District Lot 5205; thence northerly along the westerly boundaries of District Lots 5205, 5204, 5203 and 5202 to the southeast corner of District Lot 5209; thence westerly along the southerly boundaries of District Lots 5209, 5210, 5216, 5217 and 5218 to the southwest corner of District Lot 5218; thence northerly along the westerly boundary of District Lot 5218 to the southeast corner of District Lot 5225; thence westerly along the southerly boundaries of District Lots 5225, 5226, 1043, 1044, 1045, 1050, 1051, 1056, 1057, 1256, 1257, 1262 and 1263 to the southwest

corner of District Lot 1263; thence due West to the 124th meridian of west longitude as established by survey and being also the westerly boundary of Cariboo Land District; thence southerly along said 124th meridian of west longitude to the northerly boundary of the watershed of Euehiniko River; thence in a general westerly direction along the northerly boundaries of the watersheds of Euehiniko River and Chedakuz Creek to the 125th meridian of west longitude; thence southerly along the 125th meridian of west longitude to the 53rd parallel of north latitude; thence westerly along the 53rd parallel of north latitude to the easterly boundary of the watershed of Sakumtha River, with said boundary being a portion of the summit of the Cascade Mountains as defined for administrative purposes in the *Interpretation Act*, Revised Statutes of British Columbia, 1996, Chapter 238; thence in a general northerly direction along said summit of the Cascade Mountains to the northerly boundary of the watershed of Tahtsa Lake; thence in a general easterly direction along the northerly boundary of the watershed of Tahtsa Lake to the summit of Mount Sweeney, being a point thereon and being also a point on the easterly boundary of the watershed of Nanika River; thence in a general northerly direction along the easterly boundary of the watershed of Nanika River to the southerly boundary of the watershed of Morice River; thence in a general easterly direction along the southerly boundary of the watershed of Morice River to a point thereon, with said point being the first intersection of said southerly boundary with a line drawn due West of the southwest corner of District Lot 3421, Range 5, Coast District; thence due East to the southwest corner of District Lot 3421; thence easterly along the southerly boundaries of District Lots 3421, 3422, 3423, 5367 and 5366 and continuing easterly along the northerly boundary of District Lot 2136 to the northeast corner thereof; thence due East to a point lying due South of the southeast corner of District Lot 5364; thence due North to said southeast corner of District Lot 5364; thence northerly along the easterly boundary of District Lot 5364 to the northeast corner thereof; thence due North to a point lying due East of the northeast corner of District Lot 2498; thence due East to the westerly boundary of the watershed of Buck Creek; thence southerly, easterly and northerly along the westerly, southerly and easterly boundaries of the watershed of Buck Creek and continuing northerly along the easterly boundary of the watershed of McKilligan Creek to a point thereon, with said point being due West of the southwest corner of District Lot 4301; thence due East to the southwest corner of District Lot 4301 and continuing easterly along the southerly boundaries of District Lots 4301 and 4300 to the southeast corner of District Lot 4300; thence easterly in a straight line to the northwest corner of District Lot 3350A; thence easterly along the northerly boundary of District Lot 3350A to the westerly boundary of District Lot 3348; thence northerly and easterly along the westerly and northerly boundaries of District Lot 3348 to the northwest corner of District Lot 3384; thence easterly along the northerly boundary of District Lot 3384 to the southeast corner of District Lot 3347A; thence northerly along the easterly boundaries of District Lots 3347A, 3345 and 3346 to the southerly boundary of District Lot 4292; thence westerly and northerly along the southerly and westerly boundaries of District Lot 4292 to the southeast corner of District Lot 4295; thence northerly along the easterly boundaries of District Lots 4295, 4294, 4293 and 3333 to the southerly boundary of District Lot 2637; thence easterly along the southerly boundary of District Lot 2637 to the southeast corner thereof; thence northerly along the easterly boundaries of District Lots 2637, 2639, 4233, 4234 and 2152 to the northeast corner of District Lot 2152; thence due North to a point lying due East of the northeast corner of District Lot 4094; thence due West to the northeast corner of District Lot 4094; thence westerly along the northerly boundaries of District Lots 4094 and 4093 to the northwest corner of District Lot 4093; thence due West to a point lying due North of the northwest corner of District Lot 3449; thence due North to the easterly boundary of the watershed of Bulkley River; thence in a general northerly direction along the easterly boundary of the watershed of Bulkley River to the summit of French Peak, being a point thereon and being also a point on the southwesterly boundary of the watershed of Babine River; thence northwesterly along the southwesterly boundary of the watershed of Babine River to the westerly boundary of the watershed of Shegisisic Creek; thence northerly along the westerly boundary of the watershed of Shegisisic Creek produced to the intersection of the middle lines of Babine and Skeena Rivers, at their confluence; thence westerly in a straight line to the southerly boundary of the watershed of those unnamed creeks flowing northerly into Skeena River; thence westerly along the southerly boundary of the watershed of those unnamed creeks flowing northerly into Skeena River to the easterly boundary of the watershed of Kispiox River; thence in a general northerly direction along the easterly boundary of the watershed of Kispiox River to the inter-

section with the 56th parallel of north latitude; thence easterly along the 56th parallel of north latitude to the easterly boundary of the watershed of Omineca River; thence northerly in a straight line to the intersection of the natural boundary of Omineca River, on the left bank thereof, with the natural boundary of Omineca Arm of Williston Lake, on the westerly shore thereof; thence northwesterly in a straight line to the southerly boundary of the watershed of Meslinka River; thence westerly and northerly along the southerly and westerly boundaries of the watershed of Meslinka River to the southerly boundary of the watershed of Ingenika River; thence westerly along the southerly boundary of the watershed of Ingenika River and continuing westerly along the southerly boundary of the watershed of Finlay River to the westerly boundary thereof; thence northerly and easterly along the westerly and northerly boundaries of the watershed of Finlay River to a point thereon, with said point being in Sifton Pass and lying due North of the middle line of the main stream of Fox River; thence due South to said middle line of Fox River and continuing southeasterly along the middle line of Fox River to the westerly prolongation of the northerly boundary of District Lot 4839, Cassiar District, being Fort Ware Indian Reserve Number 1; thence easterly to and along the northerly boundary of District Lot 4839 produced to the middle line of Kwadacha River; thence southeasterly along the middle lines of Kwadacha River, Finlay River and Williston Lake to a point on the middle line of Williston Lake, with said point being due West of the most southerly point of Canty Lake; thence due East to the natural boundary of Williston Lake, on the easterly shore thereof; thence northeasterly in a straight line, on a bearing of 85°, to the northerly boundary of the watershed of Canty Creek; thence easterly along the northerly boundary of the watershed of Canty Creek to the northeasterly boundary of the watershed of those creeks that flow southwesterly into Williston Lake and that lie to the south of Peace Reach; thence southeasterly along said northeasterly boundary of the watershed of those creeks that flow southwesterly into Williston Lake and continuing southeasterly along the northeasterly boundaries of the watersheds of Parsnip and McGregor Rivers to a point on the northeasterly boundary of the watershed of McGregor River lying due West of the summit of Mount Gorman, and with said point also being the northwest corner of Kakwa Recreation Area; thence due East along the northerly boundary of Kakwa Recreation Area to the summit of Mount Gorman, being a point on the easterly boundary of the Province of British Columbia; thence southerly and southeasterly along the easterly boundary of the Province of British Columbia to the southerly boundary of the watershed of Hugh Allen Creek; thence westerly along the southerly boundary of the watershed of Hugh Allen Creek, passing through the summit of Mount Brown, and continuing southwesterly along the southeasterly boundary of the watershed of Baker Creek produced to the natural boundary of Canoe Reach (Kinbasket Lake), on the easterly shore thereof; thence southwesterly in a straight line to the most easterly point on the natural boundary of Foster Arm, on the southerly shore thereof; thence southwesterly in a straight line, on a bearing of 200°, to the height of land that separates those creeks that flow northeasterly into Canoe Reach (Kinbasket Lake) from those that flow northwesterly into Foster Arm; thence southerly along said height of land to the southeasterly boundary of the watershed of Foster Creek; thence southwesterly and westerly along the southerly boundaries of the watershed of Foster Creek to the westerly boundary thereof, being a point on the westerly boundary of the watershed of Canoe Reach (Kinbasket Lake); thence northerly along the westerly boundary of the watershed of Canoe Reach (Kinbasket Lake) to a point thereon, with said point lying due East of the northeast corner of District Lot 3103, Kamloops Division of Yale District; thence due west, a distance of 6.18 kilometres, more or less, to the northeast corner of District Lot 3103 and continuing westerly along the northerly boundary of District Lot 3103 and the southerly boundary of District Lot 7383 to the southwest corner thereof; thence due West to the northerly boundary of the watershed of North Thompson River; thence in a general westerly direction along said northerly boundary of the watershed of North Thompson River to the southwesterly boundary of the watershed of the upper reaches of Fraser River; thence northwesterly along the southwesterly boundary of the watershed of the upper reaches of Fraser River to the southerly boundary of the watershed of Haggen Creek; thence westerly along the southerly boundary of the watershed of Haggen Creek to the westerly boundary of the watershed of Dominion Creek; thence northerly along the westerly boundary of the watershed of Dominion Creek to a point thereon, with said point being due East of the northeast corner of District Lot 9518, Cariboo District; thence due West to the northeast corner of District Lot 9518 and continuing westerly along the northerly boundary of District Lot 9518 to the northwest corner thereof; thence due

West to the intersection with the middle line of Bowron River; thence northwesterly along the middle line of Bowron River to a point thereon, said point being due East of the southeast corner of District Lot 6943; thence due West to the southeast corner of District Lot 6943 and continuing westerly along the southerly boundaries of District Lots 6943 and 6945 to the southwest corner of District Lot 6945; thence due West to the westerly boundary of the watershed of Naver Creek; thence southerly along the westerly boundary of the watershed of Naver Creek to a point thereon, said point being due East of the northeast corner of District Lot 8553; thence due West to the northeast corner of District Lot 8553; thence westerly along the northerly boundaries of District Lots 8553, 8548, 3176, 3177, 3178 and 3179 to the easterly boundary of District Lot 3215; thence northerly and westerly along the easterly and northerly boundaries of District Lot 3215 to the southeast corner of District Lot 3216A; thence northerly and westerly along the easterly and northerly boundaries of District Lot 3216A to the northwest corner thereof, being the point of commencement.

#### **Queen Charlotte Islands/Haida Gwaii Community Health Council Area**

Commencing at a point on the westerly boundary of the Province of British Columbia, with said point being due West of the most southerly point of Gosling Island; thence due East to the intersection with the southeasterly prolongation of the middle line of Hecate Strait; thence northwesterly to and continuing northwesterly and northerly along the middle line of Hecate Strait produced to the most southerly boundary of the State of Alaska; thence westerly along the most southerly boundary of the State of Alaska to the westerly boundary of the Province of British Columbia situated in the Pacific Ocean, west of Dixon Entrance; thence in a general southerly direction along the westerly boundary of the Province of British Columbia to a point thereon, with said point lying due West of the most southerly point of Gosling Island and being also the point of commencement.

#### **Quesnel and District Community Health Council Area**

Commencing at the most northerly northwest corner of District Lot 3216A, Cariboo District, being a point on the natural boundary of Fraser River, on the left bank thereof; thence due West to the middle line of Fraser River; thence in a general southwesterly direction along the middle line of Fraser River to the intersection with the easterly prolongation of the middle line of West Road (Blackwater) River; thence westerly to and continuing in a general westerly direction along the middle line of West Road (Blackwater) River to a point thereon, with said point being due South of the southwest corner of District Lot 1472; thence due North to said southwest corner and continuing northerly along the westerly boundaries of District Lots 1472, 1464, 1451, 1453, 1455 and 1456 to the northwest corner of District Lot 1456; thence northerly in a straight line to the southwest corner of District Lot 5205; thence northerly along the westerly boundaries of District Lots 5205, 5204, 5203 and 5202 to the southeast corner of District Lot 5209; thence westerly along the southerly boundaries of District Lots 5209, 5210, 5216, 5217 and 5218 to the southwest corner of District Lot 5218; thence northerly along the westerly boundary of District Lot 5218 to the southeast corner of District Lot 5225; thence westerly along the southerly boundaries of District Lots 5225, 5226, 1043, 1044, 1045, 1050, 1051, 1056, 1057, 1256, 1257, 1262 and 1263 to the southwest corner of District Lot 1263; thence due West to the 124th meridian of west longitude as established by survey and being also the westerly boundary of Cariboo Land District; thence southerly along said 124th meridian of west longitude to the northerly boundary of the watershed of Euehiniko River; thence in a general westerly direction along the northerly boundaries of the watersheds of Euehiniko River and Chedakuz Creek to the 125th meridian of west longitude; thence southerly along the 125th meridian of west longitude to the 53rd parallel of north latitude; thence easterly along the 53rd parallel of North latitude to the 124th meridian of west longitude; thence southerly along the 124th meridian of west longitude to a point lying due West of northwest corner of District Lot 4750; thence due East to the northwest corner of District Lot 4750; thence easterly along the northerly boundaries of District Lots 4750, 4751, 4752 and 4753 to the northeast corner of District Lot 4753; thence due East to the westerly boundary of the watershed of Tautri Creek; thence southerly and easterly along the westerly and southerly boundaries of the watershed of Tautri Creek to the northerly boundary of the watershed of Chilcotin River; thence easterly along the northerly boundaries of the watersheds of Chilcotin River and

Mackin Creek to the easterly boundary of the watershed of Tingley Creek; thence northeasterly along the easterly boundary of the watershed of Tingley Creek to a point thereon, with said point lying due West of the northwest corner of District Lot 6109; thence due East to the northwest corner of District Lot 6109; thence easterly along the northerly boundary of District Lot 6109 to the northeast corner thereof; thence due East to the middle line of Fraser River; thence northerly along the middle line of Fraser River to a point thereon, with said point lying due West of the southwest corner of District Lot 5110; thence due East to the southwest corner of District Lot 5110, being a point on the natural boundary of Fraser River, on the left bank thereof; thence easterly along the southerly boundaries of District Lots 5110 and 8677 to the southeast corner of District Lot 8677; thence easterly in a straight line to the northwest corner of District Lot 7790;
