

Notes to Part 2

Objectives

A-2.2.1.1.(1) Objectives.

Listing of objectives

Any gaps in the numbering sequence of the objectives are due to the fact that there is a master list of objectives covering the three principal Code Documents – the British Columbia Building Code Book I (General), British Columbia Building Code Book II (Plumbing Systems) and the British Columbia Fire Code – but not all objectives are pertinent to all Codes.

The building or facility

Where the term “the building or facility” is used in the wording of the objectives, it refers to the building or facility for which compliance with the British Columbia Building Code Book II (Plumbing Systems) is being assessed.
