BULLETIN

To Authorized Inspectors

Re: Greater Vancouver Area - Personal BCeID

As previously announced in INFORMATION BULLETIN #04 -12, a new Vehicle Inspection Program (VIP) online user system will be implemented April 2013. This system will provide upgraded security enhancements for the submission and verification of inspection reports and will offer more protection against the misuse of Authorized Inspector (AI) certification numbers.

For AIs in the Greater Vancouver area, when registering (as noted below) please select the Maple Ridge, Surrey or Vancouver office as the Point of Service location you plan to attend to verify your personal information. If you are unable to attend these locations and have made all attempts, please contact the CVSE Surrey Office at 604-575-3430 for assistance.

To maintain Authorized Inspector Certification, compliance with inspection program requirements and access to VIP on line systems, the personal BCeID must be in your legal name.

To create your BCeID please go to www.bceid.ca and follow the links below.

- Click on the 'Register' button at bottom right.
- Click 'Register for a Personal BCeID' button on the right.
- Follow the online instructions for registering for a Personal BCeID.

After online registration is complete, you must present your identity documents in person at a Point of Service location within 60 days to verify your identity and finish registration. The two pieces of identification selected during your online registration process must be presented to the authorized BCeID Point of Service agent when verifying the BCeID application. To find the closest Point of Service location, click on the 'Point of Service Location' link on the left or at bottom of the BCeID web pages.
