PURPOSE OF CIRCULAR

To announce that for a period of one year, from March 19, 2012 to March 18, 2013 inclusive, the travel times for permits for loads from 3.21 m wide to 4.4 m wide on roads under the jurisdiction of the Ministry of Transportation and Infrastructure, will change to the times shown below, as a pilot project.

Feedback to the pilot project will be reviewed quarterly, and should be directed to Commercial.Transport@gov.bc.ca

BACKGROUND

In general, the pilot travel times introduce restrictions on Friday evenings for loads from 3.21 m to 3.8 m wide, but open up additional travel times on the weekends for loads 3.21 to 4.4 m wide, and increase uniformity for travel times under permit across BC. In the Peace Region, there are no changes to present allowances under the pilot project.
