Vehicle Inspections & Standards

NOTICE

Re: Trailer Inspection Exemption Order

This notice has been amended and repeals Trailer Inspection Exemption Order Notice 07-12 issued **November 21, 2012.**

Effective **June 1, 2019**, the following commercial trailers are EXEMPT from inspections required under Motor Vehicle Act Regulation Division 25.01(2)(f).

- A. Licensed trailers, regardless of body style, operating in compliance with rate class 510.

Rate class 510 includes trailers towed by:

- A motor vehicle insured for pleasure use only
- A motor vehicle insured as either an Emergency Motor Vehicle or a Volunteer Fire Department Vehicle
- A road building machine or industrial machine
- A bus (public, airport, charter, religious)
- A golf cart
- A snowmobile
- A motor vehicle insured for business use (rate class 007 on reg) (not commercial use)
- A private vehicle or CMV licensed GVW 5000 kg or less or insured as an artisan
- A delivery vehicle (including CMV licensed GVW 5000 kg or less) i.e. courier, food service, mail delivery
- A motor vehicle insured for farm use or fisherman use
- A farm tractor
- A CMV used for service work by a municipal government (conditional factor MG on reg)
- A CMV licensed GVW 5000 kg or less used in logging or silviculture industry
- A U-drive motor home
- A U-drive CMV licensed GVW 5000 kg or less

Commercial trailers, equipped with air brakes, towed by an "A", "G" or "F" plated power unit having a gross vehicle weight greater than 17,300 kg are NOT EXEMPT from inspections required under Motor Vehicle Act Regulation Division 25.01(2)(f).

- B. Licensed trailers, regardless of body style, operating in compliance with rate class 551.

Rate class 551 specifies trailers insured for pleasure use only.
