**Re: CVSE and ICBC Appointed Agents to discontinue issuing Special Case
Motive Fuel User Permits**

Due to a regulatory change made by the Consumer Taxes Branch, Commercial Vehicle Safety & Enforcement (CVSE) and ICBC Appointed Agents no longer have the authority to issue Motive Fuel User Permits based on the volume of fuel carried in the supply tank of an IFTA commercial vehicle entering BC.

All future Motive Fuel User Permits will be issued and charged based on the number of kilometres travelled in BC. The table below lists the motor fuel tax rate and carbon tax rate used to calculate the deposit.

Period	Motor Fuel Tax Rate for Each Kilometre	Carbon Tax Rate for Each Kilometre	Combined Rate for Each Kilometre	Maximum Combined Deposit
Starting July 1, 2008	7¢	1¢	8¢	\$160
Starting July 1, 2009	7¢	2¢	9¢	\$180
Starting July 1, 2011	7¢	3¢	10¢	\$200
Starting July 1, 2012	7¢	4¢	11¢	\$220
